

Latin American & Caribbean Bioenergy Community of Practice

Online Session

THE GBEP SUSTAINABILITY INDICATORS FOR BIOENERGY IN PARAGUAY: METHODOLOGY, RESULTS AND POLICY RECOMMENDATIONS

June 22, 2021

Bioenergy community of practice (BioE CoP)

A peer-to-peer learning network

Focus 2020-
2021:
Integrating
bioenergy
into national
energy and
climate
policies

Activities

Online sessions to disseminate information on innovative technologies, policy frameworks, business models, and tools for bioenergy development

Facilitating technical assistance to Bio-E CoP members – from LEDS GP Climate Help Desk and other partners.

Development of knowledge products and capacity building activities.

Facilitating and supporting regional dialogue and peer to peer exchange.

Next activity

Exchange session:

Presentation and discussion of the study **From Practice to Policy: a bottom-up analysis of barriers to biogas investments in Colombia.**

Developed in coordination with Colombia's Low Carbon, Adapted and Resilient Development Strategy and the Ministry of Mines and Energy.

By the LEDS LAC Secretariat (operated by Libelula, Peru) and the Energy Working Secretariat (operated by SD Strategies, Germany) with support from LEDS GP's Climate Help Desk.

July 6, 10:00 a.m. Colombia time

Would you like to

- ❖ Join the BioE CoP?
- ❖ Share information about an initiative, tool or success story?
- ❖ Request technical assistance?
- ❖ Share resources or information with the Bio-E CoP members?
