Bioenergy community of practice (BioE CoP)

A peer-to-peer learning network

Focus 2020-2021: Integrating bioenergy into national energy and climate policies

Activities.

- Online sessions to disseminate information on innovative technologies, policy frameworks, business models, and tools for bioenergy development.
- Facilitating technical assistance to Bio-E CoP members – from LEDS GP Climate Help Desk and other partners.
- Development of knowledge products and capacity building activities.
- Facilitating and supporting regional dialogue and peer to peer exchange.
- Visit us in: <https://ledslac.org/comunidades-de-practica/bioenergy/>

New CoP Coordinator

Aída Lorenzo

Would you like to...

- ❖ Join the BioE CoP?
- ❖ Share information about an initiative, tool or success story?
- ❖ Request technical assistance?
- ❖ Share resources or information with the Bio-E CoP members?

Please contact Katherine Bocanegra bioenergia@ledslac.org

"Opportunities offered by the maritime transport decarbonisation for Latin America and the Caribbean: Development of renewable energies with emphasis on biofuels and hydrogen"

Gabriel Castellanos, Associate
Programme Officer -International
Renewable Energies Agency,
IRENA

THANK YOU!
